

Know your route number

Whether the weather affects individual routes or an entire corridor, knowing the route number of your child(ren)'s bus is essential to obtaining accurate information from our website or our staff.

Please write in your child(ren)'s route number(s) and keep this information on hand

In bad weather:

- It is ultimately the decision of parents / guardians whether or not to send their children to school in bad weather.
- Please do not call the NPSSTS or bus operators: lines must be kept free for updates on road and safety issues.
- Buses cancelled in the morning are also cancelled for the afternoon: if you bring your child(ren) to school, you must pick them up.

Reminders for inclement weather days

Plan ahead:

- Provide your school with written instructions on where your child(ren) should go if busses leave early or the school is closed (for grades K-8).
- Discuss with your child(ren) how long they should wait for the bus before returning indoors. We suggest 15 minutes maximum.
- Bookmark our website and tune your radio.
- **Always have a back-up plan!**

Safety starts at the stop!

- Don't play on snow banks
- Don't throw snowballs
- Dress warmly
- Wear items with reflective strips or bright colours
- Be outside at your stop a few minutes early, even if it's at the end of your driveway. This keeps buses on time, so no one waits long in the cold.
- **Reminder: Winter sports equipment (i.e., skis/poles, hockey sticks, etc.) are not allowed on the bus**

Remember:

Schools normally stay open
